honoring Terry Ellis

Symposium

The morning and afternoon will provide a variety of workshops and live demonstrations. Providers of all disciplines have the opportunity to come together, share insights, and experience restorative practices related to replenishing the energy of our work. Lunch and dinner included.

FREE CEU's

TerryFest NW

Following dinner, we will be hosting a celebratory festival, offering gratitude to the life of Terry Ellis, Co-Founder and Clinical Director of Wolf Pack. This portion of the event is open to the public and does not require registration at the symposium.
